

cBio Data Integration

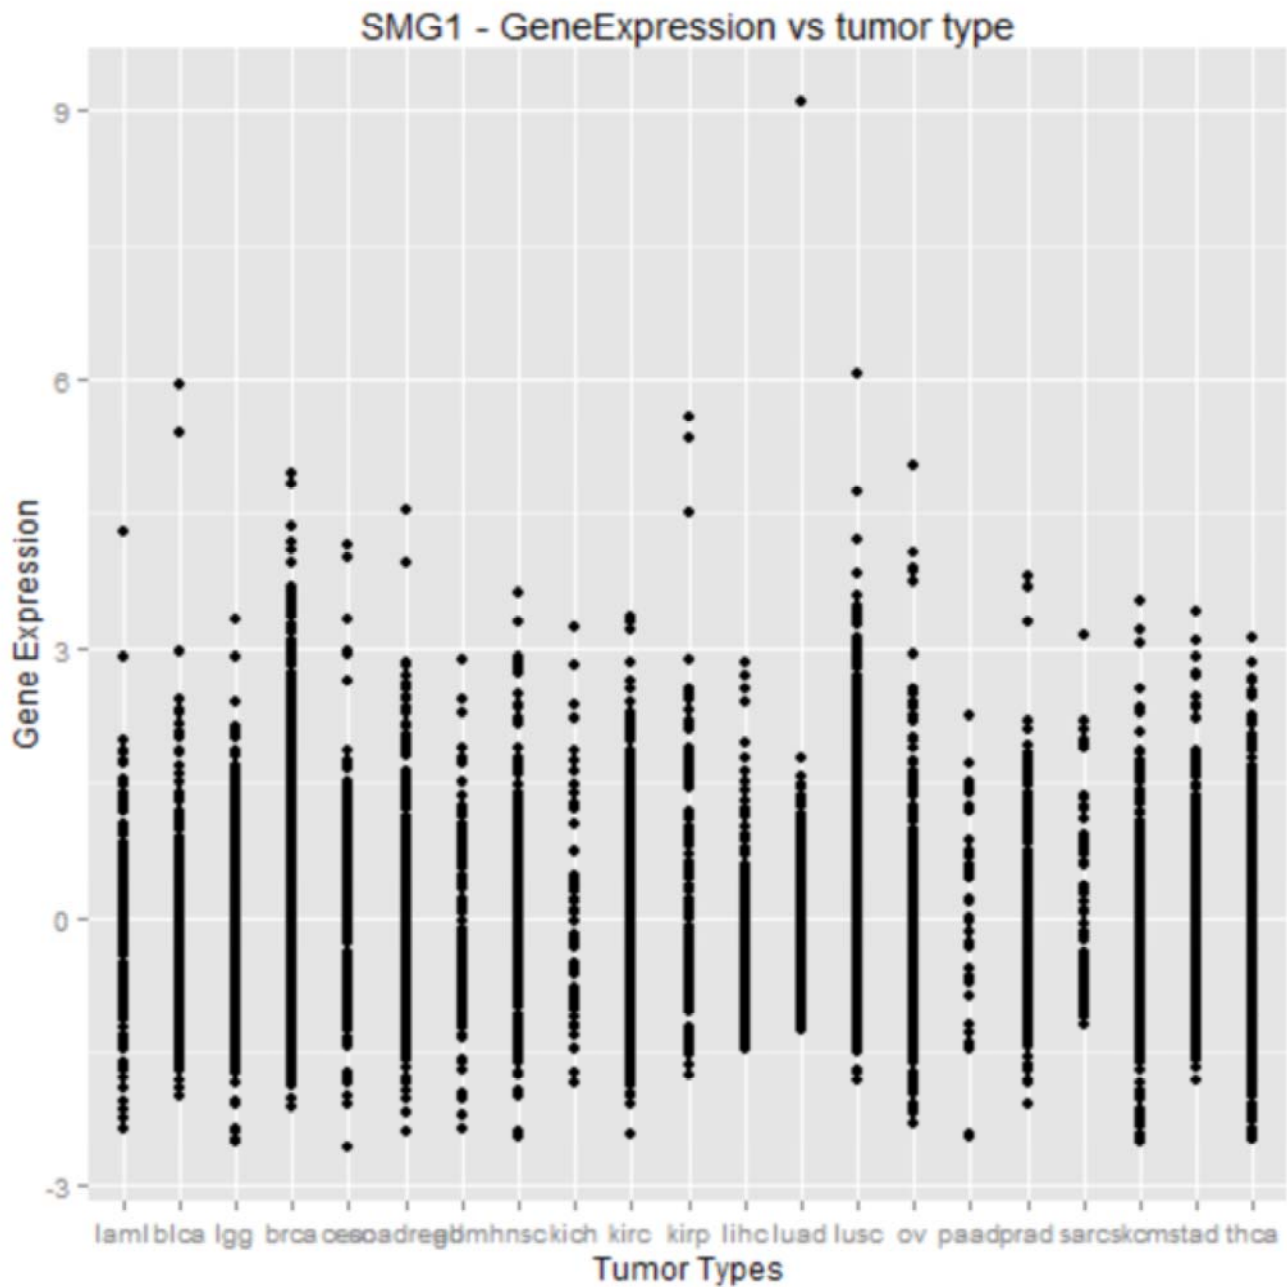

Plot 1 - CNV count versus Tumor Types

Plot 2 - Boxplot: Gene Expression versus Tumor Types

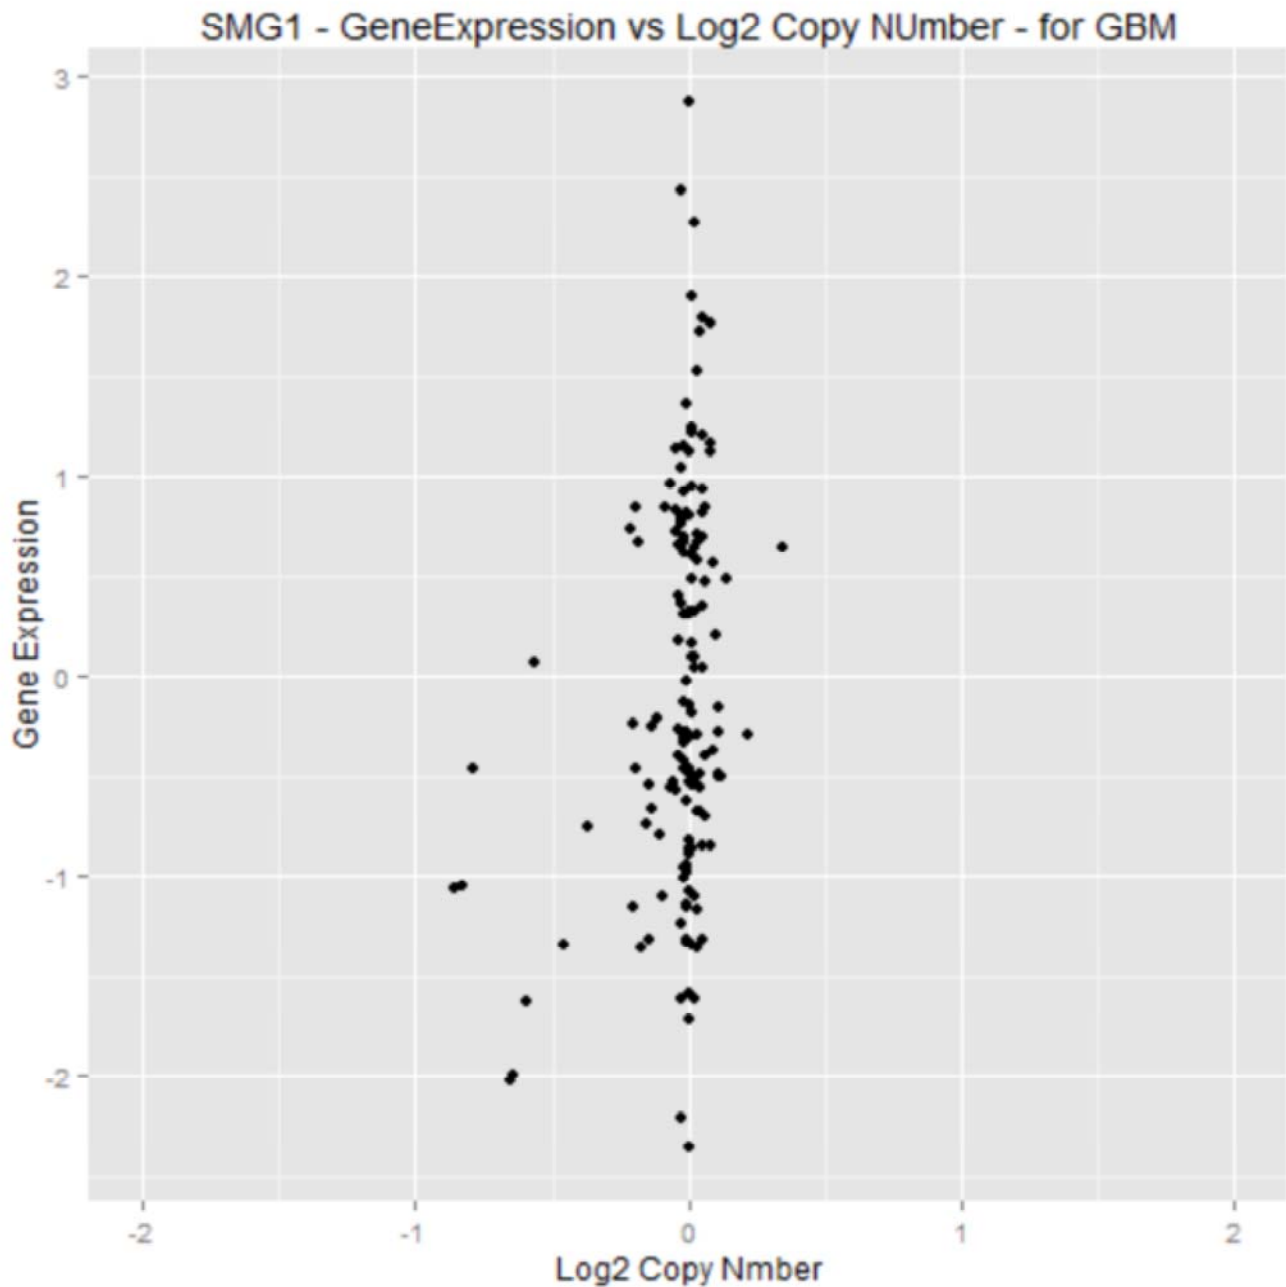

Plot 3 - Pointplot: Gene Expression versus Tumor Types

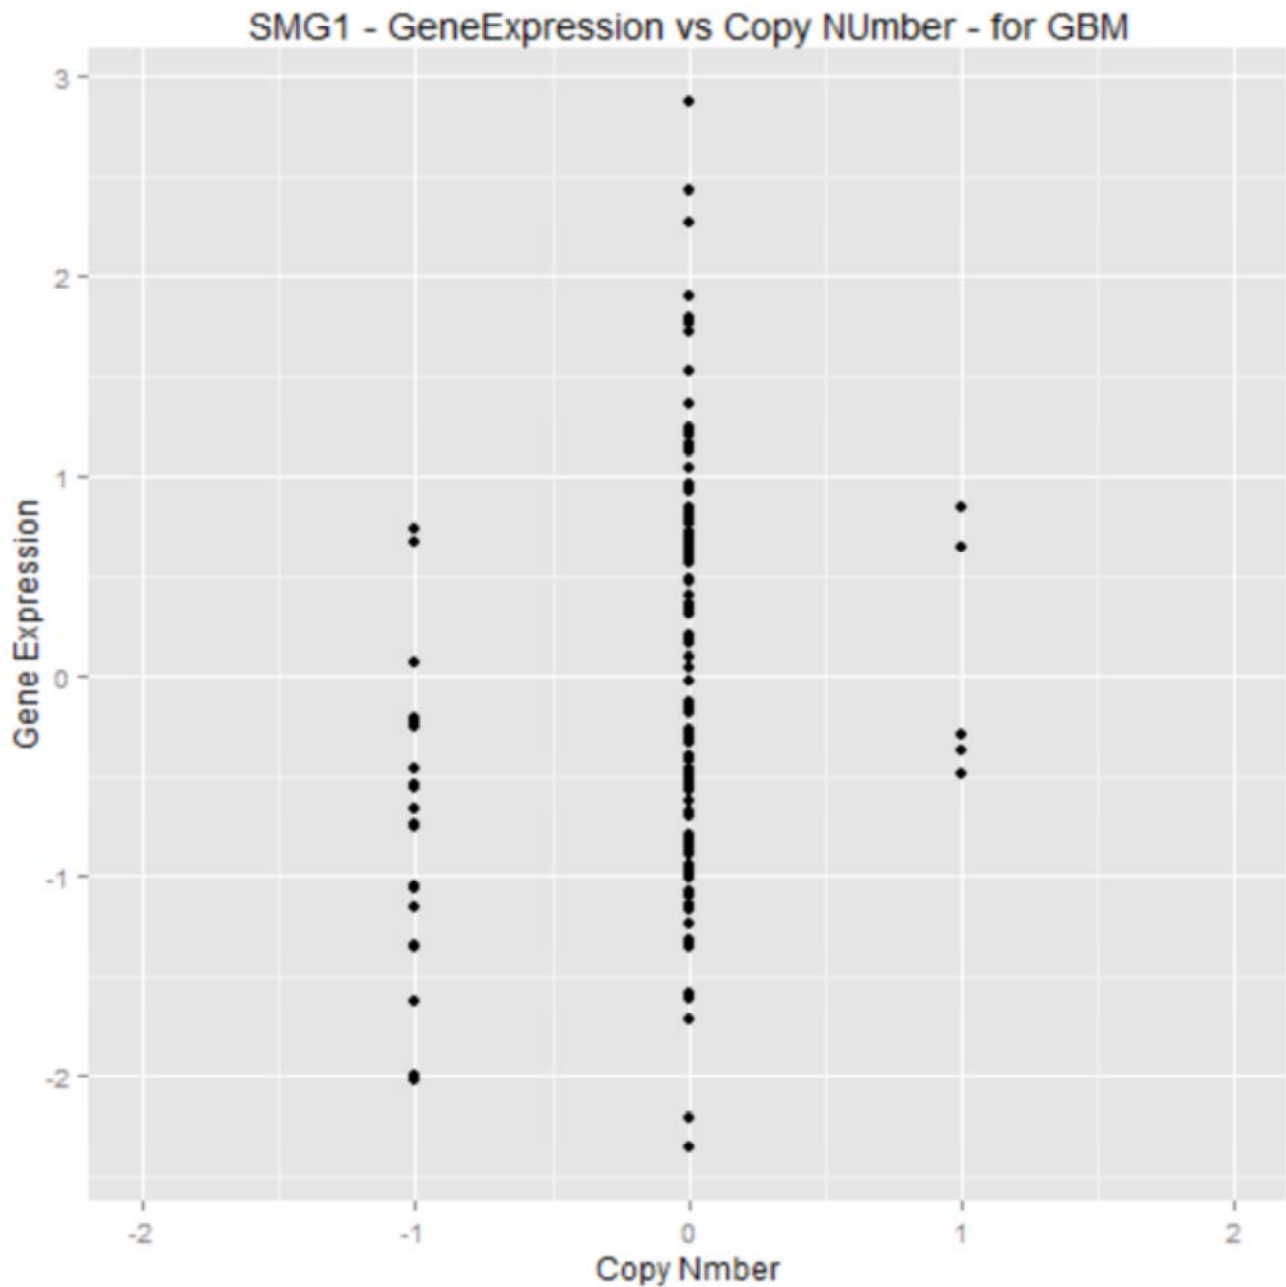

Plot 6 - Gene Expression versus Log Copy Number

Particular Gene and particular tumor type

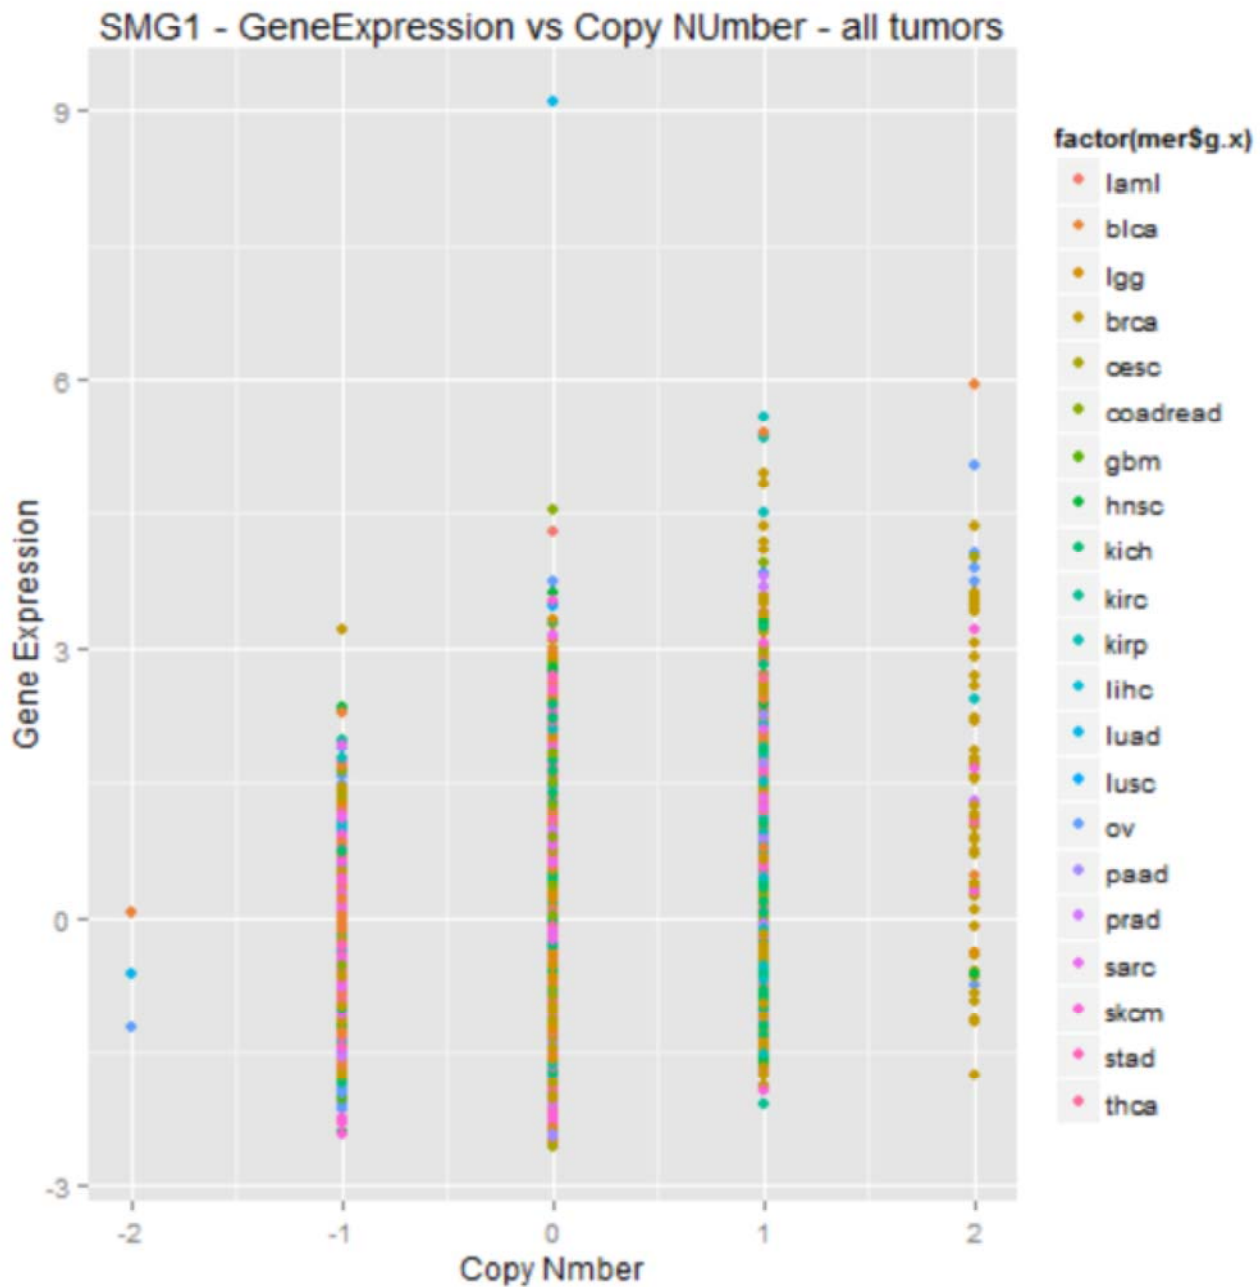

Plot 7 - Gene Expression versus Copy Number

Particular Gene and particular tumor type

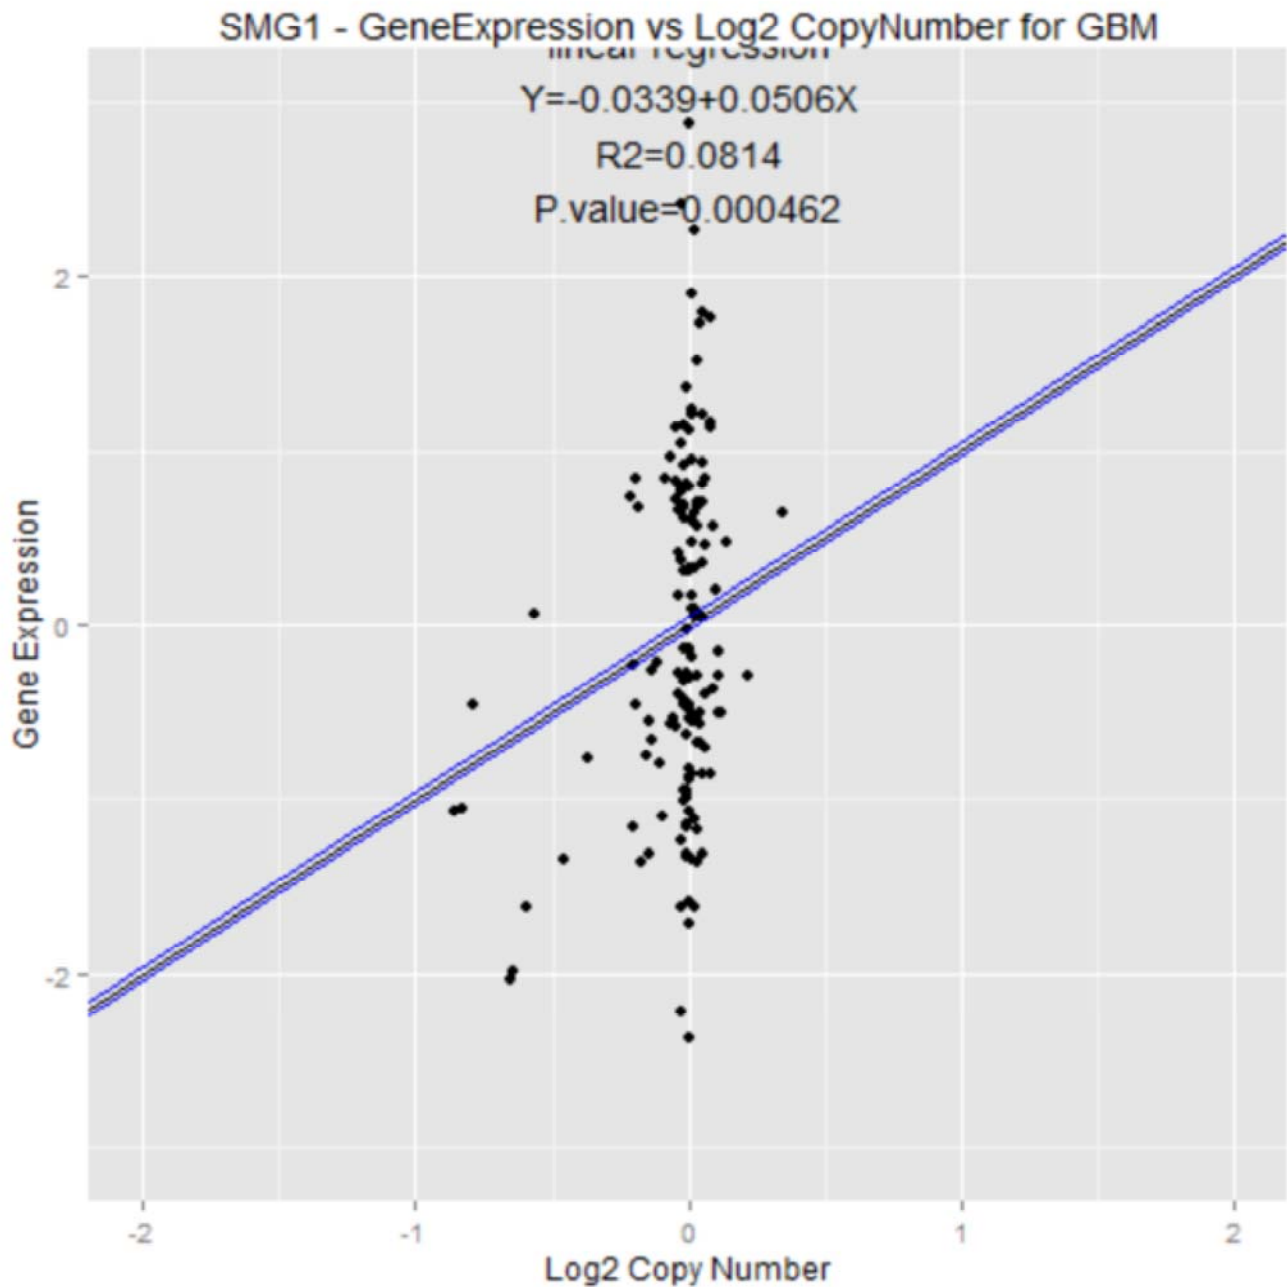

Plot 8 - Gene Expression versus Copy Number

Particular Gene and all tumor type

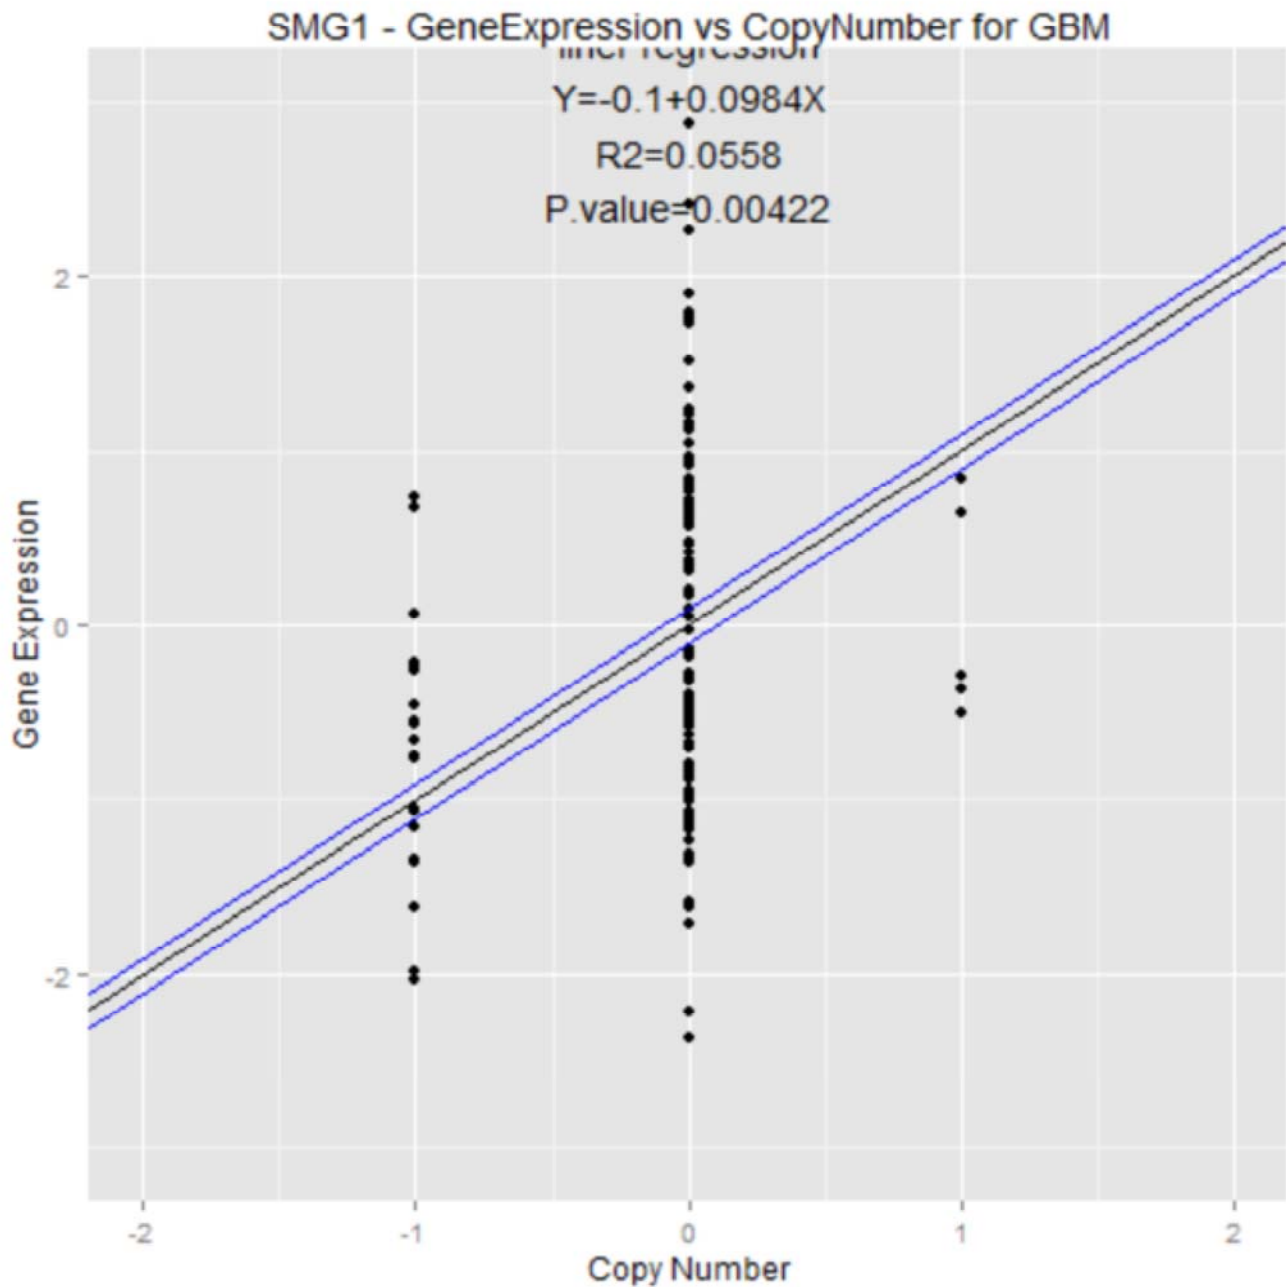

Plot 9 - Linear regression - Gene Expression versus Log Copy Number

Particular Gene and particular TumorType

Plot 10 - Linear regression - Gene Expression versus Copy Number

Particular Gene and particular TumorType

Plot 11 - Linear regression - Gene Expression versus Copy Number

Particular Gene and all TumorType s
